4. アインシュタイン(Albert Einstein)に関する以下の英文を読み、続く問いに答えなさい。

Albert Einstein was born on March 14, 1879 in the city of Ulm, Germany. His parents' names were Hermann and Pauline.

Einstein's father Hermann was friendly, kind, and intelligent. He was also very good at math when he was young.

Einstein's mother Pauline was the boss in the family. She came from a rich family, and she was very intelligent. She loved music and was a very good piano player.

When Einstein was born, his family sold beds, but the company closed down. They soon moved to the big city of Munich. In Munich, Hermann opened a new company with his brother Jakob.

Einstein was not like other children. When he was a baby, he did not say his first words until after he was two years old. Hermann and Pauline were very worried about him, and they took him to see many doctors, but no one knew what the problem was. People around him worried that he might never learn to speak well!

Until he was 10 years old, Einstein was not very good at talking. Even when he became an adult, he said, "I rarely think in words at all."

Einstein was very different from other boys. When he was young, he did not like to play sports and games with the other children. He liked to go and sit by himself and think and dream.

Einstein really liked blocks, and he also liked to build houses from playing cards. They say that he could make a house that was 14 stories tall! He did not worry about how many times the houses fell down, and he worked on them for hours and hours.

(1) Where was Albert Einstein born?

- ① Berlin, Germany
- ② Lyon, France
- ③ Samara, Russia
- ④ Ulm, Germany

(2) What did young Einstein like to build houses with?

- ① straw
- ② steel-reinforced concrete
- ③ playing cards
- ④ bricks
