Situated by the Iruma River on the verdant Musashino Plateau, Seibu Bunri Junior and Senior High School has a spacious campus of approximately 100,000 square meters. The school motto is "Integrity, Trust, and Service," and through integrated junior and senior high school education, the school aims to provide students with a world class education.

Located in Sayama City, Saitama Prefecture our school enjoys the tranquillity of the Japanese countryside while also having easy access to the hustle and bustle of downtown Tokyo and the traditional city of Kawagoe.

We have a student population of approximately 1,700 commuting to school each day from the local area as well as from the greater Tokyo and Saitama regions. We also boast an ever-increasing number of international students.

We pride ourselves on being a forward-thinking school that nurtures every student to achieve their goals and ambitions whether it be to attend a prestigious university or excel in sports, language or arts. We offer programs to suit the diverse needs of the modern learner.
